

COCKTAILS & APERITIVO

ALL £10.50
(UNLESS OTHERWISE STATED)

Despite the intense regionality of Italian culture, the tradition of a pre-dinner aperitivo is one you will find almost everywhere in the country. The concept is generally thought to have been invented by the distiller Antonio Benedetto Carpano; he claimed that his special combination of fortified white wine & various herbs & spices stimulated the appetite.

WE INVITE YOU TO TEST HIS THEORY...
